PART II TEACHING PLAN

Introduction

ATTENTION: Today, you will review two chapters in *AEROSPACE: The Journey of Flight* and expand upon the aerospace education material that you studied as you progressed through Phase I and II of the CAP program.

MOTIVATION: What you have learned and practiced in these lessons and activities will continue to help you to understand future aerospace lessons and will enable you to be better prepared to pass the Amelia Earhart Award Test.

OVERVIEW: During this period, we will review *AEROSPACE: The Journey of Flight*, Chapters 4 & 21. We will begin with a brief discussion of the lesson material and then we will discuss the review questions.

TRANSITION: The instructor will review the material in *AEROSPACE: The Journey of Flight*, Chapters 4 & 21, beginning with an overview of the subject matter followed by a discussion of the review questions for each section. If the cadets have other questions relating to the material being discussed, encourage the cadets to ask questions at any time.

Body

NOTE: The instructor will use the review questions in the aerospace education material to aid in the discussion and review. Use other materials as needed to cover the required items.

Conclusion

SUMMARY: We have reviewed Aerospace Education material that expanded upon what you learned when you were in Phase I and II.

REMOTIVATION: It is important that you take advantage of these reviews so you will be better qualified to pass the Amelia Earhart Award Test.

CLOSURE: Next week, we will plan, coordinate, and setup a Disaster Relief activity for the unit. **Any questions? See you next week!**
